

SciBase initiates collaboration with Inderes for commissioned research

STOCKHOLM, SWEDEN, - January 30, 2024 - SciBase Holding AB ["SciBase"] [STO: SCIB], a pioneer in early detection and prevention in dermatology initiates cooperation with Inderes (www.inderes.se) for ongoing services related to commissioned research. This collaboration aims at providing high-quality equity research on SciBase Holding AB stock.

The research reports, analyst comments and interview videos will be published and made available on inderes.se, inderes.dk and inderes.fi with over 70,000 active members, as well as through Inderes' channels on social media and other investor platforms. The first analysis is planned to be carried out in the first quarter of 2024. Inderes welcomes all investors to discuss and ask questions from the analyst on forum.inderes.se once the research is published.

The main purpose of the collaboration is to:

- 1) Increase investor awareness of SciBase
- 2) Help investors better understand SciBase
- 3) Create a communication channel between the investors and SciBase
- 4) Improve the price formation and liquidity of SciBase's stock
