

SciBase Partners with Al Shirawi Healthcare solutions to Offer Nevisense in UAE

STOCKHOLM, SWEDEN, – April 24, 2024 – SciBase Holding AB ("SciBase") [STO: SCIB], a leading developer of augmented intelligence-based solutions for skin disorders is pleased to announce a new partnership with Al Shirawi Healthcare solutions, a leading distributor of medical technologies across multiple specialities of aesthetics dermatology, orthopedics and medical consumables In Dubai. Through this partnership, Nevisense will now be available for patients in the United Arab Emirates (UAE).

Skin cancer is a growing problem in the UAE with official statistics suggesting that skin cancer accounts for about 14.5 per cent of cancer cases among males in the UAE.

"We see the UAE as an attractive market with a passion for state-of-the-art, groundbreaking technologies. Partnering up with a well-resourced and knowledgeable ally will enable quick market access at a low investment cost. We see this as a way to increase our reach and help more people receive the best care possible." says Pia Renaudin, CEO at SciBase

"Scibase is an ideal partner as their technology fits perfectly with our goals and principles. We're dedicated to offering our customers the best tools possible to improve patient care, and Nevisense is a clear choice to help us achieve that." says Ahmed Ismail. General manager at Al Shirawi Healthcare solutions
